REUNION ISLAND IS LOCATED IN THE INDIAN OCEAN.

REUNION ISLAND IS LOCATED IN ARCHIPELAGO OF MASCAREIGNES.

A tall, powerful waterfall cascading down a dark, rocky cliff face, surrounded by lush green tropical vegetation. The water flows in multiple streams, creating a misty spray at the base where it meets a pool of water. The surrounding forest is dense with various tropical plants, including palm trees and broad-leafed shrubs. The overall scene is vibrant and natural.
