

WHY NOT?

The Réunion Island is located in the Indian Ocean at the south-west of Maurice and at the south-est of Madagascar. There is much touristique places.

WE WILL TALK ABOUT MANAPANY

Manapany is located at the South-West of Saint Joseph. Manapany is a beach but there a pond to avoid the waves and drowning.

On this picture we can see the pond of Manapany, the sea and some habitations.

In Manapany there is some géco 'Géco of Manapany' you can see one under.

There is much of them over there they are so beautiful.

At Manapany there only one pan, you can swim in it and you can piqu nique next to the pond.

There is some restaurant and some museum.
