Year 9: classe de 4eme

This day was a very long day...

Amber - «I don't want to finish at 4pm.»

Lily - «Hi!»

James - «Are you ready for the English test?»

Lily - «Oups I didn't learn my lesson!»

She takes out her copybook but the bell rings at the same time : DRIIING. Amber tells her : « Bye bye good marks. Lily put your book in your bag !»

The teacher - «Hello! sit down, today there is a test so take out your pencils»

The pupils take out their pencil case, put out their eraser and rulers but ...

- « James have you got my pencil? » asked Lily

- « No, I don't have any pencil! » James answered

- « Who took all my pencils? » asked Amber very suprised

- « Teacher we haven't got our pencils! » they said at the same time

The teacher, annoyed, says : « James, Amber and Lily go to the storage room and look for a pen ».

Amber - «Oh look there are ink marks on the floor »

James - «Let's **follow** them!»

Amber - «Look! they go to this classroom.»

James - «Let's go and have a look!»

Amber - « The ink marks stop at this cupboard. But there is nothing in there »

Lily - «Good ! I'm tired. Let's go back in class ».

She **leans** against the cupboard and suddently it shifts.

They discover a **ladder** that goes down.

James - «Oh, let's go see ! »

Amber: - « let's try »

Lily - «I can hear some noise. »

They go down and see a man named Nick.

Nick - « What are you doing here ? You don't have the right to be here ! »

Amber - « And you? Who are you ? What are you doing there ? »

Nick - «I am a teacher from the year 1980. I am here because I built a time machine but I've lost the key. I'm **stuck** in 2021 and my wife is in the **Middle Ages**. I know an evil king wants to marry her and I have to save her ! There is only one special pen that makes the machine work. I'm looking for it ! »

The students decide to help him and go look for the pen in the toilets while Lili goes to the music classroom. Lili calls James and Amber because she has found a blue lamp pen under the table. Lily is playing with the blue lamp of the pen when **suddenly**, she discovers a sentence written on the

whiteboard « *The pen is the key to success* ». And Amber says : «This is the pen we need!».

They finally manage to go back to the Middle Ages and find Nick's wife, Britney, and bring her back to her time and save her.

Britney – « Thanks for bringing me home ! »

James – « It is a pleasure ! »

Lily starts crying.

Amber, James and Lily- « WE'LL NEVER FORGET YOU !! »

Lily - « Um guys, there's something weird closing up there. »

Nick - « This is the portal ! RUN ! And thank you again »

Amber and James - « Come on Lily, hurry up ! »

Amber - « Quick ! The pen , James ! »

James and Lily - « HAAAAAAAAAAAAA !! »

James - « Are you all right ? »

Lily - « Yes thank you ! »

Amber - « Lily, this is the first time we've seen you run »

Lily - « AMBER !! »

That night they gather before returning home.

Amber - « It was an eventful adventure »

James - « Girls are we going back ? »

Lily - « Ha no, N.E.V.E.R »

They laugh...
