

HERE IS MY STORY !

1. **O**ne day the president Tramp
2. lowered salaries and raised taxes.
3. John was a fireman and his wife
4. didn't have a job. The day Tramp was elected, John's wife became
5. pregnant* with a boy. John didn't have much money to pay for the house and food.

And one day his wife killed herself at home, she wrote one note for John and he discovered the note in his room ...

One month later, overwhelmed* with rage he discovered that the president was coming to this city for two days. John got hired in the hotel where the president spent those two days.

In the evening, John was serving dinner to the president, when he closed the door, he took out his knife and he stabbed him

The president had just enough time to take out his revolver. John leaped out of the window and hung on the rope, he had fixed that same day... 11 months later John was elected president.
