- Il est normal de ne pas tout comprendre dès le début de l'année!

The image features a central graphic consisting of several concentric circles. The innermost circle is a solid dark blue. Surrounding it are several rings of varying shades of red, from a deep, dark red to a lighter, more vibrant red. The outermost ring is a solid black. Overlaid on this circular pattern is the text "That's all Folks!" written in a white, elegant cursive script. The text is positioned diagonally across the center of the circles, starting from the lower-left and ending at the upper-right. The overall composition is balanced and visually striking due to the high contrast between the white text and the dark background.

That's all Folks!
