

HUGOT STAR 2022

The background of the poster is a vibrant, abstract composition of musical staves and notes. The staves are white and curve upwards from the bottom left towards the top right. They are filled with various musical notes, including eighth, quarter, and half notes, as well as treble and bass clefs. The notes and staves are rendered in a palette of bright colors: cyan, yellow, magenta, and white. The overall effect is a sense of dynamic energy and musical celebration.
