

## ***The incredible concert of Stogie T in Reunion Island***

Stogie T was doing a concert in Kerveguen in Saint-Pierre on the 2<sup>nd</sup> February and students from three high schools (Terre-Sainte, Ravine des Cabris and Plateau Goyaves) went to watch him. After the show, the students asked many questions to learn more about him. During the concert, he sung: Freedom and Asinamali. At the end two students went on stage to sing too.

■ **LCE**

Stogie T is a famous rapper in South Africa, he is 41 years old. He was born in Tanzania on the 16<sup>th</sup> August in 1981. He is sociable and very dynamic on stage.

And we asked him questions,  
Such as :«When did you start your career ?»  
His answer was :«The rap saved me.»  
And he talked a little about his personal life.
