

# Stogie T's Concert

## Who is Stogie T?

His star name is Stogie T but his real name is Tumi Molekame.

He's born on August 16th of 1981 in Tanzania (South Africa).

We went to see Stogie T in concert on February 2nd at Kervéguen in St Pierre accompanied by his group composed of a chorister Bonj, a musical director and guitarist Shane Cooper, two keyboard players Bokani Dyer and Clem Carr, a drummer Justin Badenhorst.

There was several classes from Ravine Des Cabris, Terre Sainte and Plateau Goyave

## He looks like a rap star ( he is one) !

He was wearing a bucket hat , white t-shirt , black short and white sneakers.

He has a good personality : he's cool, energetic, funny and kind.

## The highlights of the show

During the show, the atmosphere was really cool, funny, exciting and really catchy.

One of our favorite moments was when the chorists did their performance and when they make us sing with them

**Actually the concert was super good and exciting !**
